We are the collective voice of our members

This fall we're looking to fill vacant seats on Students' Council – and we want YOU to apply!

Being a member of Students' Council is your opportunity to represent your fellow students in decisions that will affect your education and your future.

Students' Council is a policy-making Board of Directors for SAMRU and thus is collectively the highest decision-making body of SAMRU. All

Student Councillors have clearly defined governance roles that focus on the organization as a whole.

Students' Council has 18 seats and all councillors, regardless of seat, are entitled to a single vote at Student Council meetings. Students' Council meets twice a month from September until April, and councillors volunteer ten hours a month in addition to attending meetings. In return, councillors receive an honorarium for their hard work on students' behalf.

Apply now! The deadline for applications is September 15th so pick up your application form from room Z222 (reception) in Wyckham House now!

Start your day right!

The Peer Support Centre located on the second floor of Wyckham House (near the elevators) offers a free, nutritious breakfast to all MRU students.

The best way to prepare yourself for a day of study is to start the day with enough sleep, all of your books and materials, and a healthy breakfast. While we can't help you get any more sleep, we can make sure your belly is full before you begin the day.

What can you expect? Fresh fruit, low-fat muffins, toast, yogurt,

coffee or tea are all some of the foods you can enjoy first thing in the morning. If you want to 'give back' – the Peer Support Centre also welcomes volunteers to help administer the Free Breakfast program.

Come up to the Peer Support Centre starting at 8:45am. Free breakfast runs until 10am or until all the food is gone (whichever comes first) each weekday during the fall and winter semesters except for holidays and during exams.
