

THE COMPLETE CRAFT LIST FOR CRAFTERNOON FALL 2020!

While we will be offering 10 pre-made craft bags each week for contactless pick up in reception (Z222, Wyckham House) on a first-come, first-serve basis, we also wanted to provide a full craft list for those who would like to purchase their own materials, would like to order online in advance, or those who are simply just curious!

Please grab your materials and join us every other week on Google Meet as we chat and go through the instructions for each craft! All materials can be found around your home or at your nearest dollar or craft store!

Google Meet links and craft instructions will be posted the day before under the corresponding Facebook event page in the SAMRU Pride FB Group: facebook.com/groups/SAMRUPride.
